CHAIRMAN'S REPORT

Hello and welcome back to Jack Smith Park to supporters, players, sponsors, friends, family and to Para Hills Knights!

Well, what a Round of football we have ahead of us today. Definitely, the most important matches of the season to-date, arguably, the most important matches our Seniors have faced since entering the State League 1 competition.

But, they already know this and I am sure, feel the pressure that such matches bring. Of course, should results not go our way today, we still have Finals football to look forward to.

Regardless of the results that Round 22 bring however, on behalf of myself and the West Torrens Birkalla Board, I wish to take this opportunity to express how immensely happy and proud we are of all 3 Senior teams on their successes this season. It has been supremely pleasing to see our teams develop, not just this season, but over the past couple of seasons and I am so excited for the years to come here at Birks in our Senior set-up.

Speaking of exciting times to come at Birkalla, earlier this week we announced that our club will be entering in to the Collegiate Soccer League in 2022! This is a fantastic opportunity for players currently within our club as well as in the West Torrens Community, looking for pathways in to Senior football and out of Senior football.

If you are interested or know of someone who may be interested in joining our Collegiate team next year, please get in touch via the information found on the flyer to the left of this page and via our social media channels.

Registrations are open for the RWFT Football Development Clinic to be held these upcoming School Holiday's: Tuesday 5, Wednesday 6 and Thursday 7 October, here at Jack Smith Park. You can find all registration info on the back page of this programme.

Enjoy the football today and be loud – GO BIRKS!

Amin Ayoubi
West Torrens Birkalla Chairman
