THANK YOU TO OUR MAJOR SPONSOR

Hello and welcome to our players, supporters, sponsors, family and friends to Jack Smith Park. I also welcome West Adelaide and their supporters for our Round 1 fixture!

Well, here we are again! Just like that, the off-season and pre-season has wrapped up and we are back in the swing of things, kicking-off another year of football here at JSP!

The time away from the park at Birkalla has been a busy and exciting one, with new coaching staff and players entering the club.

I'd like to welcome Head Coach, Stav Galekis, who leads our Senior team this season as well as his support in Matt Hiern as Assistant. Stav brings with him a wealth of knowledge and passion for our game that has already made an impact.

Welcome too to new players across our Under 18s, Reserves and Seniors.

I know we are all looking forward to seeing the year ahead unfold and exciting football being played.

Thank you to our highly valued sponsors including Gold and front of shirt sponsor, Fresh Kitchen Solutions. All of our sponsors contribute to make our club the wonderful place that it is and we are very thankful for their ongoing support.

I am pleased to confirm that once the Women's National Premier League SA season begins, we will be playing an array of Senior team double-headers here at Jack Smith Park! This will be a fantastic opportunity for our Birks community to enjoy both matches and cheer on our Men's and Women's teams.

All match information, including our Collegiate League fixtures, can be found at our Facebook page and Instagram page. If you aren't already following, I encourage you to do so to keep up with all of the latest Birks news.

I will leave the inspirational speeches to the coaches, we all know what we are playing for and where our club wants to be, but I will say: Best of luck to all teams today and for the season ahead. Play with passion and heart and you will do our magnificent club proud.
