5. Financial Eligibility (for Existing Players Only)

Players who still have an outstanding balance for the 2025 season, will not be confirmed a position for the 2026 season unless it is paid in full. Those with outstanding balances will be notified individually. If you wish to check your own circumstances, please contact Jess Hale, Club Registrar at sparkles19811@hotmail.com

6. Training Grounds

Due to the number of teams, it is not possible to have every team train at Jack Smith Park. WT Birkalla has access to several other grounds for training and games. We use a training allocation system to give all teams the opportunity to train at the club. However, some teams prefer to train at other grounds (this is at the coach's discretion). Some of the grounds we utilise are:

Lockleys North PS - Lockleys
Golflands - Glenelg North

Bowker Street - Brighton
Plympton International College

7. Number of Teams

The table below shows the expected number of teams and squad sizes to be filled per age group for season 2026 (including goalkeeper). These numbers may change dependent on player interest, coaches and pitch availability. Some points to note:

14. How Junior Club Fees are spent

Below is a pie chart showing families how club fees are spent. It's a common misconception that all Junior fees are spent on senior players. From 2025 WT Birkalla Soccer Club will now have families pay Football SA and Belgravia Apparel directly for the Player & Team Affiliation fees as well as the Uniform fees so these costs are not reflected in the club costings.

Football SA Registration & Team Affiliation Fees as well as all Uniform costs have been left out as those will be paid directly by families to the relevant suppliers.

PART 2 – COACHING PHILOSOPHY FOR ALL PLAYERS AND OTHER INFORMATION

15. Team Selection and Club Coaching Philosophy

At WT Birkalla, our Coaching Philosophy is guided by the FFA's National Curriculum. All coaches adhere to its principles and all players are coached with its aim in mind - "to achieve a consistently high standard of learning and development for all players".

Our focus at WT Birkalla is based on an effective possession style of play where we endorse:

- Development instead of results, whilst still fostering a winning mentality
- Skillful and technical players, not just the powerful
- Mistakes being learning moments instead of being punished
- Encouraging individual play instead of forbidding individual play
- Encouraging taking initiative/risks instead of forbidding taking initiatives/risks
- Playing out purposely instead of the long ball

16. Player Movement Policy

The Club's overriding objective is for every player to achieve the maximum development of football skills and enjoyment of the game. It is therefore a priority to ensure players are placed in the environment that is always most conducive to their development. Players will continually be assessed throughout the 2026 season and will be subject to WT Birkalla's Player Movement Policy (where YCC / YSL rules allow).

17. Commitment of Players

At WT Birkalla we believe that playing sport is more than just physical fitness. The life skills young people gain in playing at club level include teamwork, communication, resilience, perseverance and commitment. In joining our club, we expect that players will have a commitment to their team to attend all training sessions and games. Whilst entirely at the discretion of the coaches, please note the following minimum commitments are required:

- U5-U8 – training 1 day a week, Sunday games
- U9-U16 – training 2 days a week, Sunday games
- Youth Championship League Teams (YPL) will have an additional training session per week at an additional cost of approx. \$275.00 per season.
- While we understand that there are circumstances where this may not be possible, please note that repeated failure to attend training or games may limit game time to players

The following guidelines represent how teams are selected and managed:

Age Group	Stage	Attributes
U6-U7	Participation based. Introduction to team- based sport. Focus is on fun games and enjoyment in a club environment. Small sided games.	Teams and players are assessed on behaviour and willingness to follow instructions. Teams in these age groups are evenly balanced across ability and talent. No goalkeepers. It is not uncommon for players to be rotated across team in this age group.
U8-U9	Discovery and skill acquisition stage.	Teams and players are assessed on behaviour and willingness to follow instructions, but more emphasis on technical skill development, and repetition-based learning mixed into a variety of exercises. Goal Keepers are introduced into the games with players taking turns in goals on a rotational basis. Teams are evenly balanced across ability and talent.
U10-U12	Acquisition of appropriate technical foundation. Focus is on the four core skills with the two constants being ever present and learned inherently.	Teams and players are assessed on behaviour and willingness to follow instructions. Skill, ability and potential, play a larger role in player selection at this level. Teams are selected on strength to transition into more competitive football. Teams will be selected into A-grade and B-grade. Permanent goalkeeper introduced in U12. Based on performance and demonstrated ability, players may be moved between teams from time to time- refer Birkalla's Player Movement Policy.
U13-U18	Game Training Phase. Applying the functional game skills and learning how to use the technical 'tools' playing as a team, using 1-4-3-3 as the preferred formation. Developing tactical awareness, insight and decision making through a game-related approach to training. Teaching players to solve specific football problems	Teams and players are assessed on performance, attitude, willingness to follow instructions and learning ability. Teams are selected on strength and talent identification. Teams will be selected into A-grade and B-grade. All players at any time have the potential for movement between grades at the Coach's and Technical Director's discretion based on demonstrated Performance: Birkalla's Player Movement Policy

18. Parent Volunteers

WT Birkalla is a community club, run mainly by volunteers. In most cases, volunteers are the parents of our players. Everyone has the capability to help, and everyone has their own special talents. Please consider where you can help. Some roles that are always needed are:

Team based volunteers	Club based volunteers
Coach	Junior Committee
Assistant Coach	Social Committee
Team Manager	Hospitality - Kitchen/Bar/BBQ
Ground Steward (Required at all games)	Uniform Fitting & Distribution
Linesman (U12-U18)	Marketing / Social Media
Referee (small sided games only U6-U11)	Sponsorship & Fundraising
First Aider	Equipment Co-Ordinator

19. Codes of Conduct

At WT Birkalla, we adopt the Player, Parent, Coach and Spectator Codes of Conducts of the FFA. As all stakeholders represent WT Birkalla, whether it be at training, at home or away games, we take these codes of behaviour seriously, and insist that anyone joining the club, is aware of our expectations and agree to these codes. Full policy documentation can be viewed [here](#).

Parents will be asked to read the Parent Induction Handbook and attend a compulsory Parent Induction Session ahead of the start of the season in 2026

An overview of our expectations of players and parents is as follows:

(a) Players

- Play by the rules.
- Never argue with an official.
- Control your temper. Verbal abuse of officials, sledging other players or deliberately distracting or provoking an opponent is not acceptable or permitted behaviour in any sport.
- Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you.
- Be a good sport. Be humble when you win and gracious when you lose.
- Treat all participants in your sport as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Respect your coaches, team manager, Club volunteers, team-mates, and opponents. Without them, there would be no competition.
- Participate for your own enjoyment and benefit, not just to please your parents and coaches.
- Respect the rights, dignity and worth of all participants regardless of their gender, ability, cultural

background or religion.

(b) Parents

- Remember that children participate in sport for their enjoyment, not yours.
- Encourage children to participate, do not force them.
- Focus on your child's efforts and performance rather than whether they win or lose.
- Encourage children to play according to the rules and to settle disagreements without resorting to hostility or violence.
- Never ridicule or yell at a child for making a mistake or losing a competition. Remember that children learn best by example.
- Appreciate good performance and skillful plays by all participants.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Respect officials' decisions and teach children to do likewise.
- Verbal abuse of officials, coaches, sledging other players or parents or deliberately distracting or provoking an opponent is not acceptable or permitted behaviour in any sport.
- Show appreciation for volunteer coaches, officials and administrators. Without them, your child could not participate.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

We thank everyone in advance for their cooperation.

We wish you all the best for the trials and hope to see you at the club in season 2026!
